Dear Mr. Liu:

On behalf of the Society for Imaging Science and Technology and at the request Masahiko Fuji, chair of the Society's 2021 Honors and Awards Committee, it is my great pleasure to inform you that you and your co-authors have been selected as the recipient of the 2021 Itek Award for "A Pilot Study on Electroencephalogram-based Evaluation of Visually Induced Motion Sickness," which appeared in the *Journal of Imaging Science and Technology* 64 #2, 020501-1—020501-10 (2020).

The Itek Award recognizes an outstanding original student publication in the field of imaging science or engineering published in one of the Society's journals during the preceding calendar year. You will receive a plaque commemorating the award and your co-authors will receive paper certificates. This award also carries a cash prize of \$500.

To honor you and your award publicly, we would appreciate receiving a small biographical sketch (maximum of 150 words) and photo (.tif or .eps file) by May 15, 2021.

Unfortunately, due to the pandemic, there are fewer options to present this award to you in person, but we can do so during an online meeting or simply send you the award and announce it publicly. If you would like to receive it online and/or in person, please let me know at your earliest convenience by e-mailing or faxing (703/642-9094) this letter back to me with the appropriate option checked. If you have any questions, please feel free to contact me directly at sgrinnan@imaging.org.

Congratulations and best wishes,

Suzanne E. Grinnan
Executive Director

Cc: Miao Xu Yanzhen Zhang
Eli Peli Alex D. Hwang

I will accept my award at

- Archiving 2021 Online (June 21-24, 2021)
- Printing for Fabrication 2021 Online (October 11-13, 2021)
- Color and Imaging Conference 2021 (early Nov.TBA)
- Electronic Imaging 2022 (January 16-20, 2022)
- Please send my award to me and announce it.
